**ADDITIONAL AGREEMENTS AND ACKNOWLEDGMENTS:**

(1) By providing this ACH Authorization, you agree on behalf of the Payee that Trustee may obtain information from third parties, including credit reports and other consumer reports regarding the named Payee, to verify Payee’s identity and to verify other information that you are providing in this ACH Authorization.

(2) Payee agrees at all times to (a) review all ACH receipts (vouchers, either emailed or received electronically via the NDC or other Trustee software) promptly upon receipt; (b) notify Trustee promptly if any ACH receipt reflects any ACH transaction that appears to have been made in an incorrect amount or is otherwise in error; and (c) cooperate with Trustee in correcting any transaction errors.

Payee acknowledges that it is solely responsible for maintaining internal controls to minimize the risks that the Payee Account will be accessed by unauthorized persons or that payments made to the Payee Account will be misdirected, transferred out of the Account without the Payee’s authorization, or otherwise misused. Such controls could include, for example, (i) the use of dual controls so that no single individual may approve or initiate payments to or from the Payee Account; (ii) reviews of all ACH receipts

referred to in clause (a) above by two individuals so as to ensure independence and to protect Payee from errors or misconduct; and (iii) routine audits of the Account to confirm its proper use and that all payments are received and used as intended by Payee.

(3) Payee acknowledges and agrees that this ACH Authorization does not authorize Payee to initiate ACH entries of any type to any account of Trustee, unless such ACH entry is specifically authorized by Trustee in writing (which authorization may be provided to Payee by email).

(4) This ACH Authorization does not require Trustee to send payments to Payee only by ACH. Trustee may elect to send one or more payments by check or other method, while still sending other payments by ACH.

(5) Payee agrees to indemnify, protect and hold harmless Trustee, his or her agents, servants, employees, and all persons acting on behalf of Trustee from any claim, liability or damages whatsoever, including, but not limited to, bank fees, court costs, attorneys' fees and interest, however caused, arising directly or indirectly out of the implementation operation or termination of this ACH Authorization or any failure of or delay in any of the foregoing.

**AUTHORIZATIONS:** Trustee is hereby authorized to initiate ACH credit entries to the Payee Account indicated above. Trustee is further authorized to initiate ACH credit or debit entries to the Payee Account to correct any erroneous or returned ACH entries. This ACH Authorization is effective as of the date signed below and will remain in force and effect until either (1) Trustee receives written notification from Payee or Payee's authorized representative of its termination of this authorization, in such time and such manner as to afford Trustee a reasonable opportunity to act on it; or (2) Trustee terminates this authorization. Payee may terminate this ACH Authorization only in writing and by contacting Trustee at:

*PO Box 4853  
Trenton, NJ 08650*

OR

*EFT@russotruster.com*

Unless this ACH Authorization is terminated, Trustee may continue to send the electronic payment to the Financial Institution indicated above until notified by Payee or Payee's authorized representative that a change must be made to the Financial Institution receiving the electronic payment. If Payee's Financial Institution information changes, Payee agrees to submit to Trustee an updated ACH Authorization. Trustee may terminate this ACH Authorization for any reason, including, without limit, if any electronic payment sent by Trustee to the Payee Account is rejected by Payee or the Financial Institution.

**CERTIFICATION OF AUTHORITY:** By signing this ACH Authorization as a representative of Payee, you certify that (1) you have the authority to sign this ACH Authorization on behalf of the Payee and to bind the Payee to this ACH Authorization; and (2) the Payee Account is held in the name of the Payee and was established and is held for business purposes and not for personal, family or household purposes.
